You'll surely agree: Both performers and audience benefit from the intimacy of our small theatre. Please unwrap any necessary candies, and turn off cell phones, pagers and watch alarms before the performance begins.

**Objectives of Durham Shoestring Performers:** To present challenging and entertaining plays with an emphasis on innovative acting, directing and design, and to produce these plays keeping costs low so that theatre can be accessible to all members of the community.

**Your Privacy and Our Contact List:** We plan only one mailing in late summer, and your contact information will not be given to any other organization. Please sign the list in the lobby to receive next year's schedule (name only if you are on the mailing list and your info has not changed).
